IMPORTANT! Be sure address and shipping instructions are correct. Write plainly.

We give no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds or bulbs we sell, and we will not be responsible for the crop. NO REPUTABLE SEEDSMAN GIVES ANY WARRANTY. We have the fullest confidence in the quality of all seeds we sell, but have no control over them after they leave our hands. Satisfactory germination and production are dependent upon many factors other than the quality of the seed. This is why responsible seedsmen cannot give a warranty.
